11.5 Dispute Resolution. This Section 11.5 only applies if Customer is an entity organized or incorporated or otherwise legally formed under the Laws of any country other than the United States of America:

- (a) If any dispute, controversy or claim arises between the parties with respect to any matter relating to this Agreement, the formation or validity thereof, performance hereunder or the breach hereof, including arbitrability of the dispute, which the parties do not promptly resolve after using good faith efforts, said controversy will be decided first through professionally assisted mediation, and if there

remains no resolution within 30 days from commencement of mediation, then the matter will be submitted to binding arbitration administered by the International Chambers of Commerce (“**ICC**”) in accordance with the Arbitration Rules for Professional Accounting and Related Services Disputes of the ICC (“**ICC Rules**”) before a single arbitrator. The dispute resolution procedures stated herein will be held at a mutually agreeable venue in Washington D.C., or, if agreed to by the parties and the arbitrator, by virtual means. The arbitrator will have no power to award (i) damages inconsistent with the Agreement or (ii) punitive damages or any other damages not measured by the prevailing party’s actual damages, and the parties expressly waive their right to obtain such damages in arbitration or in any other forum.

- (b) Limited discovery will be permitted in connection with the arbitration upon agreement of the parties or upon a showing of need by the party seeking discovery. All aspects of the arbitration will be confidential. Neither the parties nor the arbitrator may disclose the existence, content or results of the arbitration, except as necessary to comply with legal or regulatory requirements.
- (c) Attorneys’ fees will be borne by the respective parties thereto. The costs of mediation and arbitration will be borne equally by the parties.
- (d) The foregoing notwithstanding, the parties will be free to pursue injunctive relief and restraining orders relating to the parties’ proprietary rights and confidentiality obligations as stated above in any court of competent jurisdiction. Judgment on any arbitration award may be entered in any court having proper jurisdiction.

11.6 Applicable Law and Jurisdiction. This Agreement will be governed by and interpreted in accordance with the Laws of the State of Delaware, other than such Laws (including case law) that would result in the application of the laws of a jurisdiction other than the State of Delaware. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. This Agreement shall be construed and enforced without regard to the United Nations Convention on the International Sale of Goods.

11.7 Severability. If any provision of this Agreement is held to be unenforceable, then that provision is to be construed either by modifying it to the minimum extent necessary to make it enforceable (if permitted by law) or disregarding it (if not). If an unenforceable provision is modified or disregarded in accordance with this Section, the rest of the Agreement is to remain in effect as written, and the unenforceable provision is to remain as written in any circumstances other than those in which the provision is held to be unenforceable.

11.8 Independent Parties. Nothing in this Agreement will be construed to make either party, and each party agrees that it is not, an agent, employee, franchisee, joint venture or legal representative of the other party. Each party hereto is an independent contractor. A party does not have, and shall not represent itself to have, any authority to bind the other party or act on its behalf.

11.9 Compliance with Laws; Export Control; Government Regulations. Each party shall comply with all Laws applicable to the actions contemplated by this Agreement including but not limited to, any applicable export laws, other applicable statutes, and any export control laws of other applicable territories. Any diversion contrary to applicable export control laws is prohibited. Customer represents that: (a) it is not, and is not acting on behalf of: (i) any person who is a citizen, national, or resident of, or who is controlled by the government of any country to which the United States has prohibited export transactions; or (ii) any person or entity listed on the U.S. Treasury Department list of Specially Designated Nationals and Blocked Persons, or the U.S. Commerce Department Denied Persons List or Entity List; and (b) it will not permit the Subscription Services to be used for, any purposes prohibited by law, including any prohibited development, design, manufacture or production of missiles or nuclear, chemical or biological weapons.

11.10 U.S. Government Users. If Customer or any of its Managed Clients is the U.S. Government (or the Subscription Services will be used on behalf of the U.S. Government), the terms and conditions set forth in this Section shall apply.

- (a) *Definition.* For the purposes of this Agreement, the term “**U.S. Government**” means a United States federal executive agency organized under Article II of the United States Constitution, including any sub-agencies, departments, and bureaus thereof.
- (b) *U.S. Government as a Customer.* The Subscription Services and accompanying documentation are each a “commercial item,” and constitute “commercial computer software” and “commercial computer software documentation,” as such terms are defined in 48 C.F.R. § 2.101. Accordingly, if Customer is the U.S. Government, the Subscription Services are provided for use with only those rights which may be granted to all other licensees pursuant to the terms and conditions of this Agreement, and in accordance with (i) 48 C.F.R. §§ 227.7201 through 227.7204, with respect to the Department of Defense and its contractors, or (ii) 48 C.F.R. § 12.211 and 48 C.F.R. § 12.212, with respect to all other U.S. Government agencies and their contractors.
- (c) *Conflict with Federal Law.* If Customer is the U.S. Government, and the terms of this Agreement fail to meet the U.S. Government’s needs or are inconsistent in any respect with federal law, Customer shall immediately discontinue use of the Subscription Services.

11.11 Subcontractors. CloudBolt may subcontract all or any portion of services performed under this Agreement without Customer’s prior consent. If CloudBolt uses any subcontractors, CloudBolt shall be responsible for ensuring that the subcontractor has complied with all of CloudBolt’s obligations hereunder.

11.12 Notices. Any notices or other communications required or permitted hereunder or required by law will be in writing and will be sent by email to CloudBolt at legal@cloudbolt.io and for Customer, to the email indicated on the Order Form, as may be updated from time to time upon notification by one party to the other party in accordance with this Section. Any such notice will be considered to have been given at the time stamped by recipient’s email application (or, if not available, the time stamp of transmission by the sender’s email application).

11.13 Remedies. Each party acknowledges that a breach of Section 2.0 or 10.0 will cause the non-breaching party irreparable damage, for which the award of damages would not be adequate compensation and therefore each party agrees that the non-breaching party is entitled to seek injunctive relief to enjoin such breaching party from acts in violation of those provisions, without the necessity of posting a bond or other security. Except as expressly provided otherwise in this Agreement, (a) in addition to any remedies provided in this Agreement, the parties shall have all remedies provided at law or in equity, (b) the rights and remedies provided in this Agreement or otherwise under Law shall be cumulative, and (c) the exercise of any particular right or remedy shall not preclude the exercise of any other rights or remedies in addition to, or as an alternative of, such right or remedy.

11.14 Assignment. Neither party may assign this Agreement or delegate its performance under this Agreement to any third party without obtaining the other party’s prior consent, except that either party may assign this Agreement in its entirety to (a) its affiliate, or (b) by operation of law or to any successor entity in the event of Customer’s transfer of all or substantially all of its assets or stock, merger, spin-off, consolidation, reorganization or other business combination or change of control, so long as the assigning party provides notice thereof to the other party. Any attempted assignment or transfer in violation of the foregoing is void. Subject to the foregoing, this Agreement will be binding upon and will inure to the benefit of the parties and their respective permitted successors and permitted assigns.

11.15 Third-Party Rights. Other than as expressly set out in this Agreement, this Agreement does not create any rights for any person or entity who is not a party to it, and no person who is not a party to this Agreement may enforce any of its terms or rely on any exclusion or limitation contained in it.

11.16 Entire Agreement, Order of Precedence. This Agreement (including all Order Forms, which are incorporated herein by reference), constitutes the entire agreement between the parties with respect to the subject matter hereof, and supersedes and replaces all prior and contemporaneous oral or written communications between the parties relating in any way to the subject matter hereof. No amendment to or modification of this Agreement is effective unless it is in writing and signed by an authorized representative

of each party. No terms or conditions of any purchase order, acknowledgement or other business form that Customer may use in connection with the acquisition or licensing of the Subscription Service and related services will have any effect on the rights, duties or obligations of the parties under, or otherwise modify, this Agreement, regardless of any failure of CloudBolt to object to such terms, provisions or conditions. In the event of a conflict between the terms of this Agreement and an Order Form, this Agreement shall prevail except where the Order Form is intended to prevail per the terms of this Agreement.

11.17 Interpretation. Unless a clear contrary intention appears, (a) the singular includes the plural and vice versa; (b) reference to any document, Law, or standard means such document, Law, or standard as amended from time to time; (c) “include” or “including” means including without limiting the generality of any description preceding such term; (d) the term “or” is not exclusive; (e) the phrase “this Agreement” and the terms “hereof,” “herein,” “hereby,” “hereunder” and derivatives or similar words refer to this entire Agreement; (f) headings are for convenience only and do not constitute a part of this Agreement; and (g) all references to money shall be in United States dollars. The parties intend this Agreement to be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted. The exhibits, schedules, attachments, and appendices referred to herein are an integral part of this Agreement to the same extent as if they were set forth verbatim herein.

Exhibit A

Service Level Agreement for Subscription Services

1. Service Level

1.1 Availability. The Subscription Service will be available 99.9% of the time per calendar quarter, except for any downtime due to Maintenance or a Force Majeure Event ("***Uptime Availability***"). For any partial calendar quarter during which Customer subscribes to the Subscription Service, Uptime Availability will be calculated based on the entire calendar quarter, not just the portion for which Customer subscribed.

Uptime Availability Calculation: (total minutes in a calendar quarter – Downtime) / total minutes in a calendar quarter.

Downtime Calculation: "Downtime" is a period of time where the service was unavailable as determined by a combination of CloudBolt's internal and external monitoring systems.

Exclusions from the Uptime Availability Calculation are service feature failures resulting from (i) Customer's acts, omissions or misuse of the Subscription Service including violations of this Agreement, (ii) failures of Customer's internet connectivity, (iii) factors outside CloudBolt's reasonable control, including Force Majeure events, or (iv) Customer's equipment, services or other technology.

1.2 Maintenance. "Maintenance" shall mean any scheduled maintenance on the Subscription Service.

2. Service Credits. If the Subscription Service does not meet the Uptime Availability in any given calendar quarter (excluding any Maintenance or Force Majeure Event) and this downtime, in Customer's reasonable discretion, significantly affected Customer's ability to use the Subscription Service, then CloudBolt will credit Customer with an amount equal to five percent (5%) of the Subscription Service monthly fee for each one hour of general Subscription Service unavailability below 99.9%, up to a maximum of thirty percent (30%) of the Subscription Service monthly fee. Any such credit shall be applied to Customer's next invoice (or refunded if there are no forthcoming invoices). This credit is Customer's sole and exclusive remedy. Any obligations of CloudBolt under this Exhibit shall become null and void upon any breach by Customer of the Agreement, including any failure by Customer to meet payment obligations to CloudBolt.

3. Reporting. To file a claim under this Exhibit, Customer must send an email to support@cloudbolt.io with the following details:

- Billing information, including Customer name, billing address, billing contact and billing contact phone number;
- Downtime information with dates and time periods for each instance of downtime during the relevant period; and
- An explanation of the claim made under this Exhibit, including any relevant calculations.

Claims may only be made on a calendar quarter basis and must be submitted within 20 business days after the end of the relevant quarter, except for periods at the end of a subscription period that do not coincide with a calendar quarter, in which case Customer must make any claim within 20 business days after the end of the subscription period. All claims will be verified against CloudBolt's applicable system records. Should any periods of downtime submitted by Customer be disputed, CloudBolt will provide to Customer a record of the Subscription Service availability for the period in question. CloudBolt will only provide records of system availability in response to good faith Customer claims.
